A photograph showing two hikers from behind as they walk along a narrow dirt path on a grassy, rocky mountain slope. The hiker in the foreground is wearing a dark jacket and a large black backpack, using a trekking pole. The hiker further ahead is wearing a blue jacket and a smaller backpack. The landscape is expansive, with rolling green hills and a small lake visible in the distance under a cloudy sky.

A wide landscape view of a wetland area. In the foreground, there is a large body of water reflecting the sky, surrounded by marshy ground with patches of green vegetation and brown, possibly dried, plant matter. The middle ground shows a vast, flat expanse of wetland stretching towards distant, hazy mountains. The sky is filled with soft, white clouds, and the overall scene is bathed in natural light, suggesting a bright day.

A wide-angle landscape photograph capturing a serene coastal scene. In the foreground, dark, jagged rocks are partially submerged, with white foam from breaking waves cascading over them. To the left, a patch of low-lying green and grey vegetation grows on the shore. The middle ground is dominated by a vast, calm body of water that stretches towards the horizon. In the far distance, a range of mountains with patches of snow is visible under a sky filled with soft, white clouds. On the right side, a small, forested hillside slopes down towards the water, with a few small buildings nestled at its base.
